

K-Love serves our community on a a daily basis, bring christian music to our area. It would greatly effect our community if K-Love were displaced by an LPFM brocaster providing other programming. We do not want to lose K-LOve. K-Love brings good wholesome music to our area, and many people come to know Jesus Christ our Savior, thru this radio station. PLease, Please, do not change to LPFM broadcaster. We want K-LOVE to stay in our community. Our children hear the good music, instead of the music of the world where children are turning to violence and crime. We will be praying that you do not change to LPFM. Thank you. Sherri Battaille
